

## **Information on MBA Ireland - Six Sigma Green Belt this summer in Dublin**

The Trulaske College of Business will be offering a Six Sigma course with green belt certification this summer. This offering includes the following details:

- You enroll in 3 credit hours.
- An MU professor, who has been teaching Six Sigma for many years at advanced levels, will teach your Six Sigma summer course and oversee your student projects with Irish and international companies.
- The opportunity exists for all participants to continue with a company to work at an internship after the program (early-July to mid-August).

This is an exciting opportunity and one you don't want to miss. For further information and details, contact Chuck Franz at [franzc@missouri.edu](mailto:franzc@missouri.edu)
